Dear Potential Adam Webster Memorial Fund Supporter:

The vision of the Adam Webster Fund of O'Neill Sea Odyssey is to provide a successful but not purely intellectual or academic learning experience for individuals with special needs in the context of the ocean environment. There won't necessarily always be an academic curriculum, but there will always be a plan. A plan to open the doors of life and living closed by physical, social, intellectual or emotional barriers; in other words, a plan to help open doors to the dreams of these special individuals.

Special needs individuals may benefit from learning about navigation, but perhaps just as much from feeling the rolling motion of the ocean as the wave movement stimulates a body and a sensory system that has been immobile and confined to a wheelchair for years. It is never known what new experience will create a new learning opportunity, intellectual or social milestone in the special need individual's journey toward opening the next door. A door through which lies development and fulfillment in a life limited in many ways.

Our friends the dolphins know it. In open water they often swam with, and ahead of our son, Adam, almost as if they were leading him to new adventures and protecting him on his journey. We should do this for others, too. That is our vision.

Please consider joining us on Saturday, June 14 for this special event. Seating is limited. If you are unable to attend, please consider making a donation to help us to continue to provide the O'Neill Sea Odyssey experience to these special kids. One hundred percent of your \$40.00 per person donation will go to the Adam Webster Memorial Fund.

Thank you in advance for your support for helping us in "Opening the Door to Dreams" for kids with special needs.

Sincerely,

Tom and Judy Webster
